Vivat Jesu,

Bob Birmingham  
Grand Knight

Brothers,

As we close another fraternal year, I would like to thank all brothers, family and friends who have donated their time and efforts to help with all the activities, fund raisers and events we have had over the past year. Those who have made the sacrifice, thank you.

Moose Bingo is fast becoming our major fund raiser. We need help. Those who started doing Bingo three years ago need some relief. The dues to join the Moose are paid by the council. You become a Moose member and entitled to all Moose Club amenities. Callers work every month and a half. Instant Bingo ticket sellers only work about every two months. Once again this is becoming our major fund raiser. Think about joining to help lighten the load.

Our regular business meeting for June will be held on the 7<sup>th</sup> at Verdi Lodge beginning promptly at 7:00 PM.

The directors meeting will be at the home of Paul Byrnes on June 21st at 7:00 PM.

July 18<sup>th</sup> is the tentative date for the Installation of Officers at Church of the Redeemer. Our District Deputy will have more for us later. If we have it at Redeemer we will need help for setup, cooking and take down.

August 14<sup>th</sup> is our annual picnic at the home of Mike and Joann Bonelli. Please plan to help which ever way you can. We will have planning meetings during June and July. More to come on this.

**A SPECIAL NOTE:** Due to July 4<sup>th</sup> falling on a Sunday this year, and most companies giving Monday as the holiday, we will have the July business meeting on the 12<sup>th</sup> at Verdi Lodge beginning promptly at 7:00 PM.

Remember the first principle of our order, Charity. In order to be charitable, we have to give of our time and efforts to support the fund raisers so we can give to the people who need the help the most. Thank you for your support.

Vivat Jesus!

Suzy and Nicholas Aunspach

That's a lot of support! How could we not exceed our goal? I would like to note that the youth, our scouts, raised the lion's share of funds Saturday, during their stint at the Food Lion on Bell Creek Road. The boys and their families worked extended hours.

Nicholas and Suzy worked a shift after completing the MS Walk. I truly am a lucky, blessed man.

The final tally is not in as we have yet to hear word on the credit we shall receive for an auto donation, but we are about \$400.00 shy of \$10,000.00. Truly a banner year, thanks to all of you. I am proud to be a member of this Council.

My counterpart at Council #9953, Ron Barsalou, has forwarded me information about their current KOVAR fundraiser at the Capital Alehouse which appears on the following page. Please support them if you have the opportunity to do so. Regardless of who gets credit for what, it's all KOVAR – and the founding principle of our Order.

In grateful appreciation,

Dan Aunspach - KOVAR Chair

## CHURCH

The Hanover Department of Social Services contacted Kathy Ritz with a request for temporary assistance for 7 hours per day during the period June 8-11 for someone to provide care for a 21 year old disabled person. This is very short notice, but if anyone feels they could help with this call Kathy Ritz at 746-4911 for further information.

The HELP Program administered by Commonwealth Catholic Charities is looking for volunteers to work an average of 3 hours a week interviewing clients, answering telephones or providing credit counseling. For further information call Ed Soniat at 746-9671.

MCEF The Mechanicsville Emergency Food program has an increase in need and a drop off in donations. We should try to increase our food contributions on food Sunday.

The Virginia Volunteer Emergency Families for Children program. This program places children in crisis in temporary foster homes for a period of up to 21 days until permanent placement can be found. The program maintains a list of families who are interested in taking children in crisis in for 1 to 21 days. When a child in crisis is picked up by social services one of the interested families is contacted and asked whether the specific child can be placed with them. This program seems a good opportunity for families with young children and a stay at home parent, or older couples who would like to provide temporary care for children in crisis.
